

ClimateLaunchpad Finals in Italy

The event is the national final for the business ideas competing in the competition ClimateLaunchpad in Italy. Those ideas have taken part in the national bootcamp on 29 and 30 June and in the successive follow-up sessions with ASTER coaches.

Participants pitch their project in front of the audience and compete for the “Grant in honour of Gianni Fondriest” sponsored by Proambiente Scrl and to access to ClimateLaunchpad Grand Final in Cyprus in October 2017.
